ABOUT THIS BOOK: Noah's dad is sure that the owner of a casino boat, the Coral Queen, is dumping raw sewage into the harbor. He can't prove it, but decides that sinking the boat will get the attention needed to shut it down. **BAD IDEA!!!** After his dad lands in jail, it's up to Noah and his sister to find a way to share news of the Coral Queen's nasty secret.

YOU MIGHT LIKE THIS BOOK IF...you enjoy stories about boats, beaches, and bad karma for bullies. Loaded with adventure and plenty of laughs, it's a perfect summer read.
